

October 2009 Newsletter

As Candee and I reflect over these past 10 years at Whisperwood, we want to sincerely thank our many wonderful guests. We have established countless friendships and the opportunity to become a part of your life, is truly a pleasure. Our business is based on respect for others and to provide an atmosphere where you can enjoy the beautiful state of Maine and all its magnificent surroundings.

2009 was a very enjoyable season, and along with our returning guests, we welcomed many new visitors to Whisperwood as well.

Once again the fishing was outstanding, both men and women anglers caught many giant bass in the 5 & 6 pound range and for the 2nd year in a row, another 7 pounder was landed.

We have created a special page showing some of the highlights of the 2009 season and if you have any special images, please email them to us and we can add them to our page.
