

Whisperwood - June 2011 Newsletter

Second 7 pound bass caught of the season

Whisperwood 3 day Guest Bass tournament decided in final minutes

If my information is correct, for the first time in Whisperwood fishing history, two seven pound bass were caught in one season and there are still nearly three months left to go for the 2011 session. Dave Sturgess 23 inch, 7 pound largemouth bass certainly got June off to a great start and now with a number of 7 pounders caught over the last few years, who will be the first one to photograph an eight pounder? This reporter absolutely knows they are out there in Salmon and McGrath lakes, now let's see if someone can catch one. With Judy's seven pound largemouth bass caught in May and now Dave adding to the seven pound bass streak, you can see why Whisperwood is the place to get that trophy bass.

Congratulations to Brian and Norman, the Whisperwood June Guest Bass Fishing tournament champions. The final results of the largemouth bass division was not decided until the last 15 minutes of the tournament. Trent Vasey's and Robert Belle's 19" largemouth bass were looking like winners until the final moments when Brian Coates landed a 19.75" largemouth on a double buzzbait to capture the victory. Norman's 18.5" smallmouth beat out Robert's and Jim's 17" smallmouth competition.

These tournaments have been a big success and a lot of fun for everyone involved and all the results and information are posted on the [Whisperwood forum](#) and [linked](#) from the Whisperwood home page as well.

Brian's winning largemouth bass

Norman's winning smallmouth bass

With July 4th weekend fast approaching we still have some cabins available and if you would like the opportunity to try and catch your fish of a lifetime, please contact us. The weather is getting better and the weekend forecast looks like warm weather is here to stay.

Please keep us in mind for your 2011 summer vacation plans.

Thank you
