

Whisperwood – June & July 2010 Newsletter

June's Big Bass and Family fun for July

Plenty of big bass were caught this past June and for those fishing fans, please take a look at: http://www.whisperwoodlodge.com/big_bass_June.htm for all the details.

With the beautiful weather in July it was definitely family time to share at Whisperwood. What a wonderful place for a family reunion for grandparents, parents and grandchildren or just an enjoyable vacation with your family - plenty of waterfront activities in the clean, refreshing waters of Salmon Lake to enjoy.

If you are considering a family vacation, please keep us in mind. There are plenty of activities for you and your children with many interesting things to do and see within just 45 minutes of us as well. Take a look at our **Area Attraction** page at:

<http://www.whisperwoodlodge.com/areaact.htm> and our **Activities** page at: <http://www.whisperwoodlodge.com/activities.htm> for more information.

Besides our Facebook page we created a Whisperwood Forum page you can access from our home page where you can stay in touch with what's going on and we hope you will take part with comments and replies with your Whisperwood experience.

Important safety note - as you approach Whisperwood from Route 8 & 11, Route 8 splits off to the left and you will notice the yellow lane separators. **Route 8 is NOT CLOSED**, these markers are to make sure you don't turn too early onto route 8. Please be careful here, watch for cars approaching from around the bend.

There are still cabins available in August - **Log** is open for the week of August 14 - 21 and there are other 2 or 3 night stays open, please call to confirm your cabin.

Your hosts and thank you,

Doug & Candee McCafferty
