As we have said in the past, the reason for us not doing the Sportsmen's Show in Springfield MA is our daughter Mickelle is now playing High School Basketball.

Maine's basketball tournaments take place during the time of the Springfield Show. We are proud to say that

Mickelle and her teammates did very well this year!

2009 Messalonskee Eagles Class A - High School Basketball Eastern Maine Champions & Runner-up State Champions

And, she is only a sophomore...
We get to enjoy two more years of High School Basketball!
