Big Bass make early appearance

Cabins available for Memorial Day weekend

This year the weather was warm and inviting for Whisperwood's opening and the big bass were cooperative. We had our first May Bass Tournament and as was the case with our last three Bass Fishing Tournaments, the winners were decided on the last day of the three day tournament.

This 22" - 6.5 pound bass was the largemouth bass winner and you can check out the May 2012 Tournament page at: http://www.whisperwoodlodge.com/big_bass_May_2012_Tournament.htm

Many 4 and 5 pounders were also caught during the week along with some terrific smallmouth bass as well. Check out the Big Bass page for May 2012 at: http://www.whisperwoodlodge.com/big_bass_May.htm

With Memorial Day weekend fast approaching we still have **three cabins available** at **PRE-SEASON RATES** and if you would like the opportunity to try and catch your fish of a lifetime, please contact us. The weather looks like warm and sunny and that means warmer water and those spawning bass will need to replenish their energies with lots of eating. You certainly want to be here when that post spawn feeding frenzy happens.

Please keep us in mind for your 2012 spring and summer vacation plans.

Thank you,

Doug & Candee McCafferty
