

Whisperwood Lodge & Cottages - Salmon Lake, Belgrade, Maine

Newsletter - January 2009

Greetings from Snow Covered Whisperwood

We hope everyone had a great holiday season and your New Year brings hope, good health and happiness to all.

We are looking forward to the 2009 Season.

We open Friday, May 15th and we will be closing on Sunday, September 27th

This will be the 10th season the McCafferty Family have been the caretakers of the Whisperwood tradition. We wish to thank all our guests that have made Whisperwood their vacation destination over the last 9 years. Many of you have become more than just Whisperwood guests. We truly value your friendship and enjoy sharing with you, the things that Whisperwood has to offer. We enjoy seeing people relax and enjoying their vacation time. In our eyes, that is what makes this business rewarding. Whisperwood is a place to get away, relax and enjoy part of a Maine summer on the lake. **The way life should be!** The McCafferty Family and Camp Staff enjoy being the caretakers of the tradition that is Whisperwood.

RESERVATIONS: If you already made a reservation for your 2009 stay, we have sent out your deposit request. If you are in the process of planning your vacations for 2009, we hope you will consider Whisperwood Lodge & Cottages and the Belgrade Lakes Region of Maine as a vacation destination.
